

# MURIOUS XI

## Annual Technical Festival

### Codez

"Just Code"

*Here we bring the programming contest, where coders from all fields compete.*

### Rules:

1. The team would be of at most 2 players.
2. The Code can be written in any language.
3. C/C++ and JAVA Compiler will be provided & other compilers should be installed 30 minutes before the event starts.
4. Codes which are executed without syntactical errors would only be considered.
5. Other rules will be declared on the spot.
6. Use of Internet is allowed.
